PLAN TO VISIT OUR NURSERY

We will be glad to have you come and inspect our stock. We have several items not listed which we grow in small lots such as grape vines and fruit trees. Also specimen evergreens and some of the new and rare varieties. Your visit will be welcome, and we assure you we will make it both pleasant and profitable for you.

We are located eight miles south of Richmond just off the Petersburg turnpike on route 410 or Centralia highway.

To those who have dealt with us our stock needs no recommendation, to others we solicit an opportunity to serve you.
